REPORT OF SELECTMEN**BRADFORD — 1957****Population 605****Tax Rate \$6.50****Equalized Valuation \$2,422,476.00****Town Hall**

Nothing has been done beyond bare necessities. More money must be raised this year, for it will be necessary to buy fuel. None was bought in 1957. There has been more obscene writing on the walls in back of the stage that were newly painted less than two years ago.

Safety Measures:

New street lights at the intersection of Routes 114 and 103 in front of the schoolhouse, the library, town hall, Dr. Wright's, and at the west end of Main Street.

Cemeteries

All shrubs and rose bushes in all cemeteries were pruned and trimmed. The sign at Sunny Plain was restored. The fence at the right of the entrance to Pleasant Hill (back of the tomb) was finished.

Some improvement should be made each year, such as filling in low paths in Pleasant Hill, new shrubs in Sunny Plain, covering bare spots in Union and Presbury Cemeteries. When Route 114 is finished below Lake Massasecum the road will go in back of the New Pond Cemetery. The Old Pond Cemetery will be almost beside the road. All cemeteries are mowed with power mowers.

Much credit should be given the caretaker, Wallace Woodward, and his assistants, Robert Bagley and Orlando Pugliese, and the Cemetery Trustees.

Roads

Class I	7.52 miles	Trunk Lines
Class II	7.42	Secondary State Highways
Class III	None	Recreational
Class IV	None	City Streets
Class V	42.99 miles	Town Roads
Class VI	11.36 miles	Roads closed by gates and bars.

Duncan Fund

Bradford has 42.99 miles of Class V Roads.

Equalized Valuation set by State Tax Commission—\$2,422,476.00

\$0.20 per each \$100. Valuation -- \$4, 844.95

\$115.00 per mile of Class V Roads -- \$4,943.85

The difference between last two figures is the amount to be received by the town for 1958 -- \$98.90

Town Road Aid (TRA)

In the state there are 7,564.78 miles of Class V Roads. The state appropriation is \$1,100,000.00, equally divided per mile. The towns add \$171,390.00.

Bradford's total sum of \$5,190.27 in 1957 finished hard-topping the road to the East Washington line, and oiled the Breezy Hill Road from Route 103 to that previously black-topped at the foot of the hill. Two jobs well done.

The 1958 T.R.A. total of \$6,322.87 has not yet been laid out.

The Duncan Fund 1957 allotment of \$233.00 was used on the road from Gage Farm up by Marah Symmes' residence.

There was an appropriation of \$1,200.00 to black-top the Dea. William Presbury road but only a small amount was used — \$131.94. The balance of \$1,068.06 is being held to finish the road in 1958. Leonard Wheeler furnished free all gravel used, two trucks and drivers, and a power shovel. As the State had opened a new gravel bank on this road to use on the Sutton Route 114, it was necessary to delay the hard-topping. Two heavy rain storms in the autumn further delayed the state work, then freezing made it impractical to oil the road in late autumn.

This road from Zealous Shove's to Route 114 is a benefit at times of flood or high water when the road through the covered bridge is impassable. In the past this road has also been impassable due to deep mud. How could a doctor or the fire department get to Bradford Center in an emergency?

General Highway Fund

There is an overdraft of \$1,613.02 caused by excessive repairs on the two trucks, grader, etc. Seven new tires were bought for the trucks. The equipment is in better condition now than a year ago.

At the Budget Meeting in 1957 the Selectmen requested an appropriation of \$300. for an automobile parking lot at the end of the road on the east side of Lake Massasecum for fifteen cottage owners who have no road. It has made it nearly impossible for anyone to get in and out of the road on the east side of the lake. The lot was built for less than \$300. The Tax Commission refused to allow the \$300. because the Budget Committee had not submitted it either with or without their approval, although the Town Meeting approved the article. It was a job well done even if it did create an overdraft of \$300.

Dump

There was an overdraft of \$203.91. During the extreme drought strict precautions had to be taken on account of fire hazards. Several times fires have been set at the dump. The dump is used by out-of-town residents from South Newbury, the Blaisdell Lake section of Sutton, and the Melvin Mills section of Warner.

Damage to roads by deer hunters and heavy rains in December, 1957, was very great because the roads were unfrozen and had become muddy. Several hundred dollars worth of damage has been done by deer hunters on our back roads the past few seasons.

Guile Hill Fire

This hill rises from the east side of Massasecum Lake with

an almost perpendicular side of granite ledges thinly covered with stunted cedars and oaks. It used to be famous blueberry ground. The fire started on the morning of May 8, 1957 near two cottages and was soon out of control. It raced to the top of the hill where it was stopped by the combined efforts of our own and neighboring fire departments. It cost the town \$3,765.46, of which \$1,896.76 was reimbursed by the State.

Much credit should be given to the Bradford, Newbury, Warner, Henniker and Sutton Fire Departments. No cottages were lost.

1958 will see Route 114 completed from Mason Weare Tappan Memorial Bridge to Amey Brook in Henniker. With the completion of Route 114 it will allow the Massasecum Lake section to settle down without future unsettled conditions.

Forest Street should be improved through to Bradford Center.

Massasecum Avenue should be improved.

The Davis Road at the south end of the lake and the Breezy Hill Road at the north end should be improved and oiled.

The old Pierce Road to Marshall and Melvin Corner should be reopened.

The Bradford Town Report for 1956 was awarded third place in its division (500 to 1,000 population) of New Hampshire towns. Without the hard work and planning of all of the Town Officers and the Selectmen's clerical assistant, Mildred Gunscheon, together with the painstaking cooperation of our printer, this award and those of the past nine years would not have been possible.

Town of Bradford

T O W N W A R R A N T

To the Inhabitants of the Town of Bradford in the County of Merrimack and said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the eleventh day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. *(The raising of money and other articles in the Warrant to be taken up at 1:00 o'clock in the afternoon.)*
3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will vote to raise and appropriate the sum of \$824.72 for Town Road Aid. The State will furnish the sum of \$5,498.15.
5. To see if the Town will vote to raise and appropriate the sum of \$35.00 for the observance of Memorial Day.
6. To see if the Town will vote to raise and appropriate the sum of \$200.00 for Pine Blister Rust. *(Required by Law.)*
7. To see if the Town will vote to raise and appropriate the sum of \$278.00 for Hospitals; Concord Hospital to receive the sum of \$78.00 and New London Hospital to get \$200.00.
8. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the American Red Cross. *(Permitted by Law) (Without recommendation of Budget Committee)*
9. To see if the Town will vote to raise and appropriate the sum of \$800.00 for care of dump. *(Caretaker, etc.)*
10. To see if the Town will vote to accept the sum of \$100.00 from the estate of Mabel M. Gardner to augment the fund already held in trust by the Town. This will make the total fund \$200.00

the principal to be held in trust and the income to be used therefrom for the perpetual care of the Mary F. Gardner lot.

11. To see if the Town will vote to accept the sum of \$50.00 from the estate of Mabel M. Gardner to be held in trust, the income to be used, as it is available, for the care of the A. E. Foster lot in Pleasant Hill Cemetery.

12. To see if the Town will vote to accept the sum of three hundred dollars (\$300.00) from Margaret E. Terry, this sum to be added to the fund already held in trust by the Town for the care of the Joseph N. Terry lot in Sunny Plain Cemetery. This will make the total fund \$500.00, the principal to be held in trust, and the income therefrom to be used for the perpetual care of the Terry Cemetery Lot.

13. To see if the Town will vote to accept the sum of two hundred dollars (\$200.00) from Almon B. Cilley, the principal to be held in trust, and the income therefrom to be used for the perpetual care of the Almon B. Cilley-Mason Cressy Lot (double lot) in Pleasant Hill Cemetery.

14. To see if the Town will vote to accept the sum of one hundred dollars (\$100.00) from Marion B. Anderson, the principal to be held in trust, and the income therefrom to be used for the perpetual care of Lot C-10 in Sunny Plain Cemetery.

15. To see if the Town will vote to accept the sum of fifty dollars (\$50.00) from the estate of Harry L. Holmes, the principal to be held in trust, and the income therefrom to be used for the perpetual care of the Holmes-Melvin Lot in Union Cemetery.

16. To see if the Town will vote to raise and appropriate the sum of \$50.00 to install a blower on the heating system in the Library.

17. To see if the Town will vote to raise and appropriate the sum of \$250.00 to shingle the Library roof.

18. To see if the Town will vote to raise and appropriate the sum of \$300.00 to level up low paths in Pleasant Hill Cemetery with loam, cover a few bare spots in Union and Presbury Cemeteries, also fill in sunken graves in all cemeteries.

19. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to clear sidewalks and driveways in Bradford Village.

20. To see if the Town will vote to raise and appropriate a sum not to exceed \$3,650.00 to purchase a Ford Power Shovel, the purchase price to be taken from the appropriations for highway purposes in four payments: \$900.00 from 1958; \$900.00 from 1959; \$900.00 from 1960; the balance of \$950.00 from 1961.
(*Without recommendation of Budget Committee*)

21. To see if the Town will vote to raise the salary of the Town Treasurer to \$180.00.

22. To see if the Town will vote to raise the salary of the Town Clerk to \$100.00.

23. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to provide a better water supply for fire protection for the East end of Bradford Village; this amount to be amortized over a three-year period.
(*Without recommendation of Budget Committee*)

24. To hear reports of committees and act thereon.

25. To see if the Town will accept the reports of the Town Officers.

26. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and fifty-eight.

“Old Brick Mill”

“Kearsarge Reel Corp.”

INDUSTRIES — Past and Present

When these towns were being divided into lots for settlement, certain lots were always reserved for particular purposes. There were the Meeting House lot, the Minister's lot, the School lot, and usually a Mill lot. There might be delay in the development of other specified lots, but a mill was an absolute necessity for the new settlers -- a saw mill to saw their logs into useable lumber, and a grist mill to grind their grain into flour and meal. Dea. William Presbury was at first obliged to carry his grain on his back, up over Goodwin Hill, following spotted trees, to Henniker to be ground.

The following letter (in Vol. XXVII of N.H. State Papers) written to the Masonian Proprietors is self-explanatory.

“Bradfordtown march the 23 -- 1778

sir I am in formd that you are desiareous to know how the settlers goes on and mils by mr Issac daveice of Hopkinton I would in form you that Daniel stickney has Cut down three or 4 akers on the 22 Lot and that is all he has done of his duty and offers to sell it samuel Putny may have done half of his ditty as near as I can hjudg on te 24 lot and sold it and gon of Capt Putny Cut down 3 or 4 akers and sold it lot 29 and at present their is nobody on thes 3 lots and as far the mill lot Ebenezer Colbe resids their and has done the duty of that lot acsept the mills he has logd up the body of the saw mill and put on a rof and done something towards the dam now going on fouer years ago and says he dont intend to do no more to it the rest of the settlers are on some have got their duty don and some have not yet we the settelers suffers Very much for want of the mills pray sirs help us as sone as you Can and if you disspose of any more of this land for setteling I will find the settlers if you please and if you want to any thing more pertickler lett me know by a line or two and I am to serve your honors

William Presbury”

There is no indication that Ebenezer Colby ever did finish that mill. It was finally finished by Ebenezer Cheney, who continued to run it until nearly 1850, and was on the River Road to Bradford Center. The old mill stones and part of the foundation of the dam are still there.

Lieut. Stephen Hoyt, a veteran of the Revolutionary War, moved from Hopkinton to Bradford about 1787. He was recognized as a dam- and mill-builder. He built a grist mill in the edge of Warner (now Melvin Mills) about 1798, and it was at that time called "Hoyt's Mills". It was his custom to go there and grind the last week in every month. The rest of the time the mill was closed. That mill was later owned for a time by Edward Cressy.

A son of Lieut. Hoyt, Gen. Stephen Hoyt (Militia), born in Hopkinton in 1769, married Phebe, daughter of Dea. William Presbury, said to be the first white child born in Bradford. Gen. Hoyt built a saw and grist mill on Hoyt's Brook between the two West Meadow Bridges. The abutments to the dam, the canal, and the millstone are still plainly visible.

No mention of these Hoyts would be quite complete without including another Stephen Hoyt, father of Lieut. Stephen, who was one of Rogers' Rangers, and was present at the attack on the Indian village of St. Francis, October, 1759. On their way back, Maj. Rogers' party separated. The company which Stephen Hoyt joined were never afterwards heard from, and, as they were much exhausted and nearly destitute of provisions, they doubtless perished of hunger and cold amid the snows of the wilderness. It is said that some human bones and other relics were afterwards found near the White Hills, which were supposed to be traces of this party. It is also related, that the following spring some clothes and other things were found on an island in Lake Winnipiseogee. Among them was snuff-box, marked Stephen Hoyt, found by Archelaus Miles of Canterbury.

Elijah West, who came from Henniker about 1808, had a trip hammer mill not far from Gen. Hoyt's mill.

John Gregg built the first mills at Bradford Mill Village. Tradition has it that at a time of great scarcity he restored, unobserved, the toll to the sacks of the poor and needy, who discovered his generosity on emptying them. A sister, Sally Gregg, married John Brown, an ancestor of the late John G. Brackett. Another sister, Hannah Gregg, married Nathan Andrew in Sutton and settled in Fisherfield (now Newbury) near the mill pond. They attended the Congregational Church at Bradford Center most of the time, but Mr. Andrew became deeply interested in immersion, and he and his sons Nathan, John and Samuel were among the largest contributors to the building of the Baptist Church near the Mill Village. In fact, Mr. Andrew gave the Church about half the pews in it.

Two of Nathan Andrew's sons, John and Samuel Andrew, carried on the saw- and grist-mill for some years. Samuel Andrew also manufactured brick, his brick-yard being for some time the only one in this region, and was located near the present residence of Eliot Foot.

Sarah Andrew, a sister of Nathan, married Dr. William Martin, the first physician to practice in Bradford, though he lived just over the line in Sutton. One of their sons was the carpenter who built the Baptist Church about 1830. Others of their descendants have been prominent in Bradford's history. Betsey Andrew, another sister of Nathan, married Samuel Jones, Esq., one of Bradford's most noted citizens.

Many others have owned the Brick Mill through the years, among them Richard Maxfield, Dexter D. Butman, Hollis L. Blood, C. E. Hadley, Carl F. Milner, and now Edwin E. Westerberg.

The saw mill that stood opposite the residence of Edwin E. Westerberg was built by Ebenezer Spaulding. It was later owned by Lucius Woods, Rand and Cheney, and Hollis Blood. The Boston Cooperage Co. made barrels there.

A fulling and carding mill, built and first owned by Sanders, then Adams & Wadleigh, burned and was never rebuilt.

At the corner of Main and High Streets, at the opposite end of the dam from the Brick Mill, Jacob and Edwin Bailey had a large shop for manufacturing doors, blinds and caskets.

On the West Branch, not far from the Edwin H. Dodge residence, Jonathan Peaslee had a saw mill. Later, Frank Brown ran the mill and made chairs there. Still later, the mill was owned by Sumner Rollins.

Isaac Davis had a mill on Davis Brook near the present Massasecum Lodge, lately owned by the Leon Varnums.

There was a saw mill at the outlet of Long Pond (Blaisdell Lake), partly in Bradford and partly in Sutton, that was owned by Hezekiah Blaisdell and his son John. It was later removed. At the time of the great freshet of 1826 there was a saw mill a few rods southeast of the present Kemah Lodge. The mill and a house near by were washed away.

One of the Eatons had a mill on the brook a little below Box Corner which was later owned for many years by Daniel Peaslee.

Robert and William Leviston had a saw mill and a tannery on either side of the dam at the mill pond on the road to Bradford Center. That burned in 1865. The brothers Jeremiah and Isaac Hall had a tannery on the site of the mill that was recently torn down. Later, Abel Colby had a grist mill and shingle mill at the same site, which burned in the late 1890's. Soon after 1900 the mill was rebuilt by Sullivan G. Stevens and Sons, who ran it for several years as a saw- and shingle-mill and a grist mill.

There were other tanneries in town at different times. One was at Bradford Center on the corner beside the Howard Tilton residence. Gen. Samuel Andrews had a tannery near the hotel which he built at Bradford Springs. There was also a tannery at, or near, the present residence of Edwin Westerberg which was owned by Andrew Seavey.

There were at least two brickyards, both in the Bradford Center area. One was beside the Old County Road on land now owned by Cuthbert Johnson. The other was on the Elisha Eaton farm, that portion of which is now owned by Walter Heselton Jr.

Nearly every town had its potash makers. The lye was extracted from the wood ashes and boiled down to "salts" in large potash kettles, and afterwards the salts were melted and refined for market.

Sometime during the first half of the nineteenth century the Bradford Granite Corp. did a considerable business supplying granite for building foundations and bridges, as well as grave-stones, from their quarry below Lake Massasecum.

At one time many of the farmers raised large quantities of hops. There were numerous "hop kilns" where the hops were dried before being shipped to market.

It might be well to mention that the early saw mills used "up-and-down" saws. Circular saws did not come into common use until shortly after the Civil War.

The Brick Mill, a landmark for more than a century and a half is still humming with activity under the ownership and direction of Edwin E. Westerberg.

The latest industry to come into Bradford is the Kearsarge Reel Corp. — a short distance off Route 103, and directly off the Breezy Hill Road. The first building was erected in 1954 and has since been enlarged several times.

FINANCIAL REPORT

of the

TOWN OF BRADFORD

in

MERRIMACK COUNTY

for the

Fiscal Year Ended December 31, 1957

C E R T I F I C A T E

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

Forest Fire Prevention is Everybody's Business

New Hampshire faces a continuing challenge in its forest fire problem — 97 percent of all our forest fires being man-caused and preventable — a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations illegal burning; improperly extinguished debris, camp and cook fires — all result in serious loss of property disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need **YOUR** thoughtful and cooperative effort — The rules are simple.

1. Don't burn at home — use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.
3. Be sure that all lighted material — cigar, cigarettes and matches — are completely out before discarding them. **Use ash trays in automobiles.**
4. Make certain that your debris, camp and cook fires are completely out before leaving them.

5. Insist that others be careful and comply with burning requirements.
6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER - the fire you prevent might be the one which could burn YOUR property.

REMEMBER - FOREST FIRE PREVENTION is EVERYBODY'S BUSINESS and our MOST IMPORTANT UNDERTAKING.

1957 Forest fire record for your town

Number of fires - 2

Acreage burned - 31 $\frac{1}{4}$ acres

Number of permits issued - 66

Thomas J. King
District Fire Chief

Nelson C. Spaulding
Forest Fire Warden

AUDITORS' REPORT

We, the Auditors of the Town of Bradford, have examined the books of the Selectmen, Tax Collector, Treasurer, Town Clerk, Road Agent, Library Trustees, and the Trustees of the Trust Funds, for the year ending December 31, 1957, compared their figures and vouchers and find the same correct.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Bradford qualified to vote in district affairs-

You are hereby notified to meet at the Town Hall in said district on the seventh day of March 1958, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and the Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriations of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriations, which balance is to be raised by taxes by the town.

9. To see if the town will vote to adopt a plan for extending to employees of the town the benefits of title II of the Federal Social Security Act (Old Age and Survivor's Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 301 and 322 of the Laws of 1915.
10. "To see if the town wishes to exclude from the plan services in any class or classes of positions filled by popular election."
11. "To see if the town wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis."
12. "If a plan for Social Security coverage is adopted, to see if the town will authorize the selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the school treasurer as the officer to be responsible for the administration of the plan."
13. To transact any other business that may legally come before said meeting.

Given under our hands at said Bradford this 18th day of February 1958.

REPORT OF THE SUPERINTENDENT OF SCHOOLSWilliam C. Sterling, *Superintendent**To the members of the School Board of Bradford District -*

During the school year 1956 - 1957 the following teachers were employed:

Teacher and Grades	Training	Year Grad.
Mrs. Eunice E. Willgeroth <i>Principal</i> - Grades 6 - 7 - 8	K.N.S.	1927
Mrs. Charlene Bachry Grades 4 - 5	S.T.C.	1952
Miss Lucy Faulkner Grades 1 - 2 - 3	W.C.	1956
Miss Blanche C. Bailey, <i>Music</i>	K.T.C.	1933

Graduates June 1957

Harmon Heath
Robert Moore

Elizabeth Rund
Donald Russell

Superintendent's Salary

Bradford School District	\$377.60
Henniker School District	925.66
Hopkinton School District	1,461.00
Newbury School District	421.83
Sutton School District	322.41
Warner School District	816.57
Webster School District	249.93
	<hr/> \$4,575.00
State's Share	2,500.00
	<hr/> \$7,075.00

There has been no change in the Bradford teachers this year, which has been most helpful for the tone of the whole school. We are facing serious problems in our music program in the Supervisory Union.

Miss Blanche Bailey has been our Music Supervisor for the past twelve years, serving the towns of Bradford, Sutton, Hopkinton, Newbury, Warner and Webster. Although she had a very busy schedule the first year, increasing demands have been made on Miss Bailey. The music programs in Simonds High School and Hopkinton High School have expanded, and, with the new Minimum Standards set up for High Schools, further expansion is needed. To further aggravate the problems, during the past twelve years some of the towns have been forced to add new classrooms. For example, next year Hopkinton will have twelve classrooms for grades one through six.

Miss Bailey can no longer operate the music program in the same manner, and we are working on a possible solution. The first solution is to add another music teacher to the Supervisory Union. The second alternative would be to have Miss Bailey serve as a Music Supervisor. She would help the teachers set up their program in music and continue to guide and direct the teachers with the teachers doing most of the teaching of music. It would mean less work with the children except in the instrumental work.

Whatever decision is made you may be sure that the various School Boards will arrive at a joint decision which will be most beneficial to the children of the community.

The ski program sponsored by the parents was successful and the program should continue to grow so that the children of Bradford will be provided an extremely worth while experience. Moreover, it is an activity that can be continued with great enjoyment long after their school days are completed.

Teacher supply seems to be about the same as it has been with the demands increasing each year due to the additional number of children in school. Each year we hear that beginning teachers are asking and getting more money than they did the year before. This makes it difficult to attract teachers to small communities. The question arises, "Can we afford to pay what teachers are asking?" It might be followed by the question, "Can we afford not to pay what teachers are asking?"

I enjoy working with the people in Bradford and appreciate the cooperation given me by the teachers, school board and the towns people.

William C. Sterling, *Superintendent*
